## Woodland schedules health screening

Woodland Medical Center has scheduled three separate health screening and education programs during March, beginning with student Health Education Field Trips in cooperation with Novi Schools on March 18.

The Woodland staff will focus on cardiology, radiology, and laboratory procedures for the March 18 trip. Use of such instruments as the EKG, ultrasound and treadmill devices, as well as X-ray technology, will be explained.

On March 24, Woodland Medical Center will again participate in southeast Michigan's Health-O-Rama, providing free basic health testing for adults at the Novi location between 10 a.m. and 6 p.m.

Woodland will sponsor another free children's health screening program March 22 through 26, 9:30 a.m. to 6 p.m. for school youngsters in grades 1 through 6. The screening will include height and weight measurement, vision, hearing, and visual dental checks, taking of blood pressure, and examination for signs of scoliosis (spine curvature). Appointments for both public and private school participation can be made by contacting the Pediatrics Department at Woodland Medical Center, Novi.
