Mercy to offer collegiate sample

High school students will have an opportunity to sample college life when Mercy College of Detroit sponsors its annual "College for a Day" program on May 14.
Special classes will introduce students to areas of study they may be considering. Other sessions will focus on financing a college education, forecasting job opportunities for the '80s and achieving success in college studies. Continuous campus tours will also be available.

Some of the "courses" offered in the one-day look at college are: "The Beat Goes On" (anatomy lab); "Predicting Fashion Trends: How Does the Buyer Know?" (fashion merchandising); "The Windmills of Your Mind: Sleep and Dreams" (psychology); and "Come Experience With Us" (medical technology).
Introductory classes in biology, business administration, child development, dietetics, food service management, nursing, pre-law, respiratory

care and social work will also be given.
"College for a Day" will begin with 9 a.m. registration in the Mercy Conference Center. Sessions will begin at 8:30 a.m. and continue until 2:15 p.m., with a break at noon for lunch.
Admission to the program is free for high school students and their parents; a buffet luncheon and sundae bar will also be available, at \$3.25 per person.
For further information or reservations, call the Mercy College Admissions office, 592-6030.
