The Most Complete and Knowledgeable Wine Merchant  
in the State of Michigan.

...Bob Hynes  
WJR-Radio Personality

Our wine shops are different. There are no high pressure salesmen or other such methods used. Just shop as you like. It's quiet - a "real wine" atmosphere. If you need our help, we just explain our wines and extend to you a little extra service to help you learn about wines; how to enjoy them more, which to serve with different foods, and how to get the most value for your dollar. The Bottle & Basket Shops are not highly commercialized, but just good down-to-earth wine shops with friendly service and hundreds of fine American wines and fine imported wines from all over the world from which to select. Please visit our shops.
