

Incumbents defeated in Walled Lake

By Phil Jerome
Novi-Walled Lake News

Merlin Reeds and Bonnie Venke outpolled a field of six candidates Monday to win election to two four-year terms on the Walled Lake Board of Education.

Reeds was the top vote getter by a

wide margin, collecting 947 votes. Venke finished second with 850 votes to narrowly defeat Mary Weborg, who finished third with 843 votes.

Board President Kenneth Tucker finished fourth with 781 votes, while incumbent David Roddy was fifth with 620 votes and Donald Eby was sixth

with 616 votes.

The results of Monday's balloting marked the second consecutive year in which Walled Lake School District voters have turned out incumbents and replaced them with newcomers.

In the 1981 election, voters ousted incumbents Stephen Lasher and Robert McNutt and replaced them with Patricia Jackson (four-year term) and Roddy (one-year term).

year term in the 1981 election, finishing behind Roddy and McNutt.

Venke has been active in the Walled Lake district for the past seven years, working previously as tutor, coordinator of a children's story hour and PTO president. Most recently she has served on two citizens' committees — the school finances and the declining enrollment-facilities utilization committees.

Fashion panel is selected

Nine Farmington and Farmington Hills students are among 24 applicants selected to serve on the Twelve Oaks Mall Teen Fashion Panel for 1982.

Those panel members from Farmington are Diane Sorenson and David Weems. Panel members from Farmington Hills include: Ann Gilardone, Andrea House, Mary Beth Merritt, Diane Miller, David Stallsmith, Gail Stallsmith and Laura Wontrobski.

The panel was selected from 300 applicants between 12 and 20 years old, interested in fashion and retail. The applicants were judged through an inter-

view, on poise, personality, neatness, public speaking, interests and goals by a panel of fashion and retail experts.

The panel will represent the high fashion and style found in Twelve Oaks Mall's major department stores and 154 specialty shops and services. Workshops, and clinics for make-up tips, hair styling, accessorizing, fashion coordination, retail and merchandising are scheduled throughout the year. The panel will model in fashion shows and informally to complement other promotional activities in the mall.
