

# INSIDE ANGLES

**HATS OFF** to Dorothy Gala, of the Farmington Hills Police Department. A winner every time she has entered various competitions at the Michigan State Fair, Gala this year brought home three ribbons. Her handmade three-piece crocheted baby sweater set took second place, while her two-piece set placed third. In the bakers' competition, judges awarded a second-place ribbon to Gala's braided Swedish egg bread. A Farmington Hills resident for 36 years before recently moving to Novi, Gala has grown accustomed to recognition at the State Fair. She has won half a dozen blue ribbons for her Afghans, paintings, flower arrangements and baby clothes since she began competing in the 1970s.

**IF YOU'RE LOOKING** for a good laugh set your sights on the Orchard Ridge campus of Oakland Community College. The college is sponsoring a "Comedy Club" series featuring local talent. Tonight's entertainer will be Tony Hayes and Eric Tunney. The show begins at 8 p.m. in J Building, Room 306. Refreshments will be provided by OCC's culinary arts department. Admission is \$3 and \$2 for students. "Comedy Club" will continue on Oct. 14 with Fast and Massad, a musical duo. William Thomas, a member of the Detroit Comedy Society, will complete the series on Nov. 11. The campus is located at 37055 Orchard Lake Road, south of 12 Mile.

**SAVE SOME BIG BUCKS** and still get a chance to see some of those great movies right in your living room. The Farmington Community Library now has a collection of

half-inch VHS videocassettes of major feature films available for rental at the Farmington Hills branch. Film ratings range from general to restricted and include such titles as "Dr. Zhivago," "Fiddler on the Roof," "The Muppet Movie" and "Saturday Night Fever." These are just a few of the selections. Two videocassettes may be checked out per library card for a 48-hour period with a \$1 rental fee per title. Rated films can only be checked out by patrons who are 18 years or older. No reserves can be taken due to the limited size of the collection.

**NORTH FARMINGTON** graduate Mary Porter has been spending the Fred Waring Music Workshop for the past three summers and this year was named a "blender," an honor given to only 10 young persons throughout the country each year. She will tour with the famous Fred Waring Pennsylvanians in the 1982-83 tour.

**GOING IRISH** this year will be Gregory Abowd, who has been accepted as a member of the University of Notre Dame Marching Band. He is the son of Mr. and Mrs. Richard Abowd of Farmington Hills. Gregory is just one of many Abowd children who have done this community fine through the years. He will be a member of the percussion section. While attending Notre Dame, he will be majoring in physics and computer science.

**TAKE AIM** and get your gun safety rules in line of site. The Groves-Walker post of the American Legion will again host the hunter safety program. The classes will

be divided into three sections. The first class will be Sept. 20-22; the second, Sept. 27-29 and the third Oct. 4-6. The instructors will be Lee Hill at 255-6667 and Ross Bates at 474-2580. Contact either if you're interested. The classes will be at the Legion club room.

**SENIOR CITIZENS** interested in learning about painting or just sprucing up on their old skills can start Sept. 22 at the Gathering Place, Mercy Center, 28600 11 Mile. Time is 1-3 p.m. each Wednesday through May. The sessions are sponsored by the Farmington Artist Club. Once a month, demonstrations are conducted by club members. Two senior exhibits are held each year. For further information, call Barbara Turney at 477-9555.

**ALL INDIVIDUALS** who served any part of their military time as a prisoner of war are now eligible to purchase special POW license plates for their vehicles. Applications for the specially designed plates will be available in all branch offices of the Secretary of State. The POW plates will be blue and white and carry the words, "Michigan-Prisoner of War."

**HOW ABOUT IT** sports fans? Farmington's own Terry Inch, now a co-captain of the Michigan State University swim team, has expanded his horizons and become one of 12 select young men to appear in this year's "Men of MSU" calendar.

Together, we can change things.

### What's so great about our paper clips?

1. They make unique, but inexpensive tie clips for the cost conscious executive.
2. Where else can you buy 50 pairs of high fashioned pierced earrings for under 50 cents?
3. One customer uses our paper clips for fining hooks (so far he still ends up at Arthur Treacher's).
4. Oh yes, they're also great for holding paper!
