Crime tips

Burglars wanting to make a score on Farmington Hills homes will be barking up the wrong tree, if McGruff the crime-prevention dog has his way. To make sure special gifts get to your loved ones this Christmas, follow McGruff's check list for protecting your home during the holiday season:

- Lock all doors and windows.
- Lock the garage door.
- If you're going out of town, arrange to have your mail held at the post office or forwarded.
- Place several lights on an automatic timer.
- Place a radio on an automatic timer.

- Adjust the blinds and drapes make the house appear occupied.
- Do not leave a note on the which may indicate your absence.
- Don't hide house keys under mats, flowerpots or similar places.
- Check basement windows, windows and other openings.
- Make a list of all of your valuables, with serial numbers where possible; record when purchased at what price, then keep this list in a place.
- Arrange to have snow shovels from walks and driveway.
