YOUR MONEY MARKET FUND HAS JUST BECOME OBSOLETE.

MANUFACTURERS BANK INTRODUCES THE MANUFUND INSURED MONEY MARKET ACCOUNT.

There's no doubt money market funds are wise investments. But there are drawbacks. Your money may be far away with a broker or investment firm in another city. Can you get to your money when you need it? How secure is your investment? Manufacturers has an answer to all these questions: The ManuFund Insured Money Market Account.

MONEY MARKET INTEREST, NEIGHBORHOOD CONVENIENCE.

ManuFund earns you high money market interest rates, but you have an added advantage: unlimited access to your account at your local Manufacturers branch. You can withdraw in person, by mail, or by simply using the ManuWay card you get when you open a ManuFund Account.

F.D.I.C. INSURANCE KEEPS YOUR INVESTMENT SECURE.

No matter what happens in the future, your total deposits are fully insured up to \$100,000. The F.D.I.C. makes certain of it.

A SMALL DEPOSIT EARNS BIG INTEREST.

All you need is a minimum deposit of \$2,500; and you'll be earning high money market interest. Most money market funds require a much larger minimum deposit.

THE MORE YOU PUT IN, THE MORE YOU GET OUT.

Deposit \$5,000 or more and you'll get a N.O.W. Interest Checking Account and a Master Card or Visa, with no annual fee. You'll also get a year's free supply of ManuFund checks. A \$20,000 deposit gets you all of these benefits, but more importantly, an even higher rate of interest.

YOU'LL ALWAYS KNOW WHAT YOU'RE EARNING.

Call Manufacturers 24 Hour Interest Hotline anytime you want to know the current rate on your investment. Just dial 222-4509. As you can see, your present money market fund has become obsolete! So stop by or call any office of Manufacturers, and ask us about a ManuFund Account today.

That's my bank.
