Because you care...

In a time of crisis, the family instinctively turns to the church and to friends, and to those institutions that most nearly reflect their own feelings.

The family that pauses to mark the passing of one of their own is demonstrating one of our culture's noblest traditions.

we care.

It is called "Caring" — the reflection of a sincere desire to honor the memory of a loved one, and to offer help to those who live on. In this manner family and friends show that they care for one another.

And, in a like manner, the staff at McCabe seeks to provide a service that is first and foremost an exercise in caring. It governs the way we handle every detail. Because you care, we care.
