INSURANCE INFO

WITH **LARRY FISHER**

PRUDENTIAL INSURANCE CO. 569-2222

Q. Do insurance companies offer IRAs?
A. Definitely in the Prudential is a leader in IRAs. Even though, years before anyone ever heard of IRA or even Social Security, Prudential was helping people plan for retirement. And when you retire, only an insurance company can provide a retirement income you can't touch. Naturally, you get a tax deduction for your qualified contributions like any other IRA contract, and income tax on dividends and interest is deferred until withdrawal.

IMPORTANT NOTE: Most taxpayers have until April 15, 1983 to contribute to an IRA and still claim the deduction on their 1982 income. Questions call or write to Larry Fisher, P.O. Box 9106, Livonia, Mich. 48151.
