

# POWERFUL LOCOMOTIVE SPEEDS WORKERS TO AND FROM BUSTLING DETROIT METROPOLIS.

Streamlined Silver Streak coaches, drawn by the power of 2,000 horses, are bringing calm to the crowded ranks of Big City Detroit commuters.

## A SAVIOR!

The hubbub of traffic dwindles as workers relax aboard the SEMTA Silver Streak. The locomotive speeds on, linking suburb and city, allowing the luxury of reverie, day-dream, even sleep. The Silver Streak has a 98% on-time record, so peace of mind is a regular member of the daily commute.

**RELAX TO THE  
RHYTHM  
OF THE RAILS.**

Morning and evening, the SEMTA Silver Streak signals the path to freedom, transporting workers in supreme comfort. At the passengers' convenience.

The convenience continues when debarking the SEMTA Silver Streak. A free shuttle bus speeds passengers from Milwaukee Junction and RenCen stations to selected New Center and Downtown

locations. Late workers need not fear missing the last train out of Detroit. A clean-up bus leaves the RenCen station at 5:40. Simply flashing a SEMTACARD or train ticket gets commuters delivered to the lot or station where the day began.

## EXTRA! EXTRA! ADDITIONAL ENTICEMENTS!

Each and every workday in April, morning travelers will peruse free *USA Today*

newspapers. On April 11, the first 200 women to board will receive free copies of *Cosmopolitan* magazine. And on April 18, each passenger will be blessed with a gorgeous Silver Streak poster.

Nothing could be more pleasant.

Ride the SEMTA Silver Streak and you travel with tranquility. See you on the SEMTA Silver Streak, ladies and gents!
