

Identical Twins... Identical Results

Here's one for Believe It or not!

Harry and Larry Conn are identical twins. They are seniors at Garden City West High School.

They're on the track team... and they throw the shot put.

What more could one ask?

IN THE MEET against Southgate, which West lost by a 66-52, score, Larry and Harry tied for third place in the shot put.

When the judges measured their throws... both had covered the same distances—40 feet, 7 inches.

Now, too that for being identical.

After losing to Southgate, West bounced back to beat Riverside, 78-39, in another Tri Rivers League meet.

Chris McCollam paced the victory with wins in the 100 and 220-yard dashes.

Meantime, distance star Don Andersen continued his fine running.

Andersen, a junior, was named last all on the state cross country team when he finished sixth in the state meet.

Against Southgate, Andersen

turned in a two-mile effort in 9:44.8. He ran the mile against Riverside and won in 4:48.8.
