

Photo fundamentals

Here's a chance to hone your photographic skills with the help of a professional lensman. Jeff Bara from Image Impact will instruct a class in basic photography beginning at 7 p.m., April 20 at Forrest Elementary School in Farmington Hills. Topics will include lighting, color and the creative use of depth-of-

field. The six-week class is sponsored by the Farmington Hills Parks and Recreation department. Reserve a spot in the class by calling 474-8115. Registration also will take place at the school, 34545 Old Timber Road, during the first night of class.
