 Camp Ohiyesa & Camp Nissokone
YMCA of Metropolitan Detroit

Welcome to YMCA Camping...

Camp Ohiyesa

"The Winners" — Camp Ohiyesa — Quality of Patience, Courage and Endurance. Since 1918 CAMP OHIYESA, named after Chief Ohiyesa, the famous Indian doctor and author, Dr. Charles A. Eastman, has meant fun and a sense of "the winner" to kids from the Detroit area. The Camp Program is geared to the younger camper — ages 7-10 years — and is available in one and two-week sessions.

YMCA CAMP OHIYESA is located on Fish Lake in the northwest corner of Oakland County, Rose Township. Nearly 300 acres of woods, activity fields and unique topography makes this an excellent site to work on the qualities of a winner. The setting is ideal for young suburban and city dwellers who need exposure to the outdoors in a fun, safe environment, where independence is fostered in a positive way.

Camp Nissokone

Since 1914 YMCA CAMP NISSOKONE has been a center of excitement and memories for kids from around the country. Far enough from home to build a sense of adventure, yet close enough for security and convenient travel, NISSOKONE retains the essence of camping tradition that keeps kids returning year-after-year.

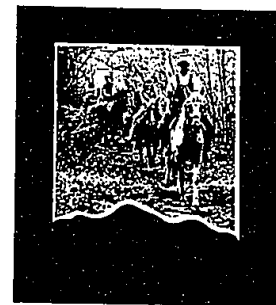

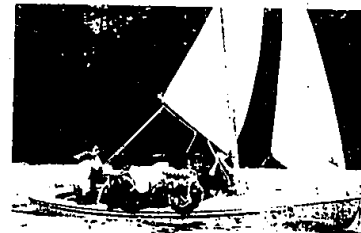

Located 200 miles north of the Detroit area, on Lake Van Etten near Oscoda, MI, CAMP NISSOKONE enjoys a unique location near Lake Huron and adjacent to the Huron National Forest. With 170 acres and over one mile of shoreline a boy or girl has the needed space to really spread out on both land and water.

Older campers, ages 10-14, live in cabin groups of eight per counselor. Emphasis is on the small-group experience, where campers and sensitive leaders come to know the wonders of the outdoors and the joy that comes with self-confidence in newly acquired or perfected physical, social and mental skills. One and two-week periods are available, with some campers staying the entire summer (8 weeks).
