

oral quarrel

Oral Quarrel readers are on a roll. This week 173 persons told us how they feel about recalling Michigan Governor James Blanchard and who they would like to see replace him in Lansing.

Of those responding, 165 said they would like the governor recalled. Seven threw their support to Blanchard. The overwhelming choice to replace Blanche-

hard was his Republican opponent Richard Headlee with 108 votes. Coming in a very distant second was Shiawassee drain commissioner Robert

Tisch with 9 votes.

Others mentioned, but with even fewer votes, were State Rep. Sandy Brotherton, Chrysler chief Lee Iacocca,

Oakland County Prosecutor L. Brooks Patterson, former Lt. Gov. James Brickley, and William Fitzgerald, former state senator and Democratic gu-

bernatorial candidate, ET and Mickey Mouse. Those undecided on who should replace Blanchard checked in with 20 votes.

Headlee — 108

'I most definitely would have a recall on the governor. Whenever the forms are ready, I'll be ready. Also, I think Dick Headlee should have been governor, not Blanchard.'

Blanchard — 7

'It's ridiculous after 20 years of Republican mismanagement for some guy in Grosse Pointe Farms to think he has some cure all in recalling a man who has been on the job only a few months. Let's give this administration a chance.'

'I think he should be recalled. He went back on his promise. I would like to see Tisch in his place.'

Tisch — 9

Iacocca — 2
