

# Trio to be featured at spring concert

Three outstanding instrumental soloists — Dan Ryan, Phillip Ross and Laurel Walker — will be featured at North Farmington High School's Spring Concert at 8 p.m. tomorrow in North Farmington's Hunt Auditorium.

Ryan, a senior, will perform Beethoven's Piano Concerto No. 1 in C Major with the orchestra. Walker, also a senior, will perform the Joseph Reicha Oboekonzert in F Major on the oboe, also with the orchestra.

Ross, a junior, will perform the difficult Concertino for alto saxophone and band by Jerry Bilik with the symphony band.

Also performing will be the concert and stage bands. Following the concert, a meeting discussing the Toronto International Festival will be held for students and parents of the marching band.

# "Where can I see a doctor? Soon."

"My little girl's cold has really become worse. And my doctor isn't available."

There are times when a visit to the doctor's office isn't possible. Your doctor is out of town. Or it's the middle of the night — and you or your child need prompt medical attention. Maybe your two-year-old's cold isn't getting any bet-

ter. Maybe you have a severe sore throat or an infection. Maybe you don't even have a personal physician.

These are the times you'll really appreciate Henry Ford Hospital West Bloomfield's unique new

**24-Hour Walk-In Physician Service.**

Staffed by a team of medical doctors and registered nurses, it is open 24 hours a day, 365 days a year.

It isn't meant to replace your personal physician but to provide help when your

doctor isn't available (whether your doctor's office is at our center or not).

The cost is slightly higher than for an office visit, but much lower than charges for non-emergency treatment in an emergency room. And, best of all, we're just minutes away.

Of course for broken bones, severe cuts and other injuries and illnesses that require immediate attention, the HFH West Bloomfield Center Emergency Room is always here, as well.

The Henry Ford Hospital West Bloomfield Center offers:

- Office Visits by Appointment
- 24-Hour Emergency Care
- 24-Hour Walk-In Physician Service

To make an appointment or receive a list of physicians and services call **661-4100**.

The HFH West Bloomfield Center is part of the Henry Ford Hospital system, which includes other outpatient centers in Detroit, Dearborn, Sterling Heights and Troy; Maple Grove, a treatment center for alcoholism/chemical dependency; a 400-member multi-specialty physician group practice; and the 1,000-bed hospital in Detroit.

VISA, MasterCard and American Express are accepted. We participate with Blue Cross/Blue Shield, Health Alliance Plan (HAP), Medicare and Medicaid and other major insurance carriers.
