

Admiring the art

Looking over the art work is on display at the Livonia art invitation is Stefan Habasburg of Farmington Hills. The art will remain on display through May 20 on the fifth floor of Livonia City Hall which is located on Five Mile, east of Farmington Road.

Patroller joins safety rally

A Farmington Hills boy is among 107 Michigan patrolers chosen to tour the state's capital during the 43rd annual Automobile Club of Michigan Safety Patrol Rally May 24-26.

Peter Bec, 11, son of Mr. and Mrs. Peter Bec of 29802 Mulrind and a student at Woodcreek Elementary School, will be the Auto Club's guest on the all-expense-paid, three-day trip to Lansing.

The 10- to 14-year-old boys and girls were chosen as the state's top patrolers during the 1982-83 school year by their respective school systems. They represent 58,000 Michigan youngsters who each spend nearly 300 hours annually protecting classmates at crosswalks and on buses.

This is the first year safety patrolers will tour Lansing. Previous trip sites include Washington D.C., Gettysburg, Pa., Ottawa and Toronto.

The trip begins Tuesday, May 24, with youngsters from throughout the state being transported to Lansing's Capitol Park Motel for an afternoon arrival. Following an orientation session, the patrolers will enjoy a pizza party and entertainment.

On Wednesday, the group will visit two Lansing museums, tour the Capitol, Governor's Executive Office and the Government Complex, and see the legislature in action. Many patrolers also will meet with their respective lawmakers.

That evening a dinner will be hosted at the Lansing Civic Center to honor the patrolers. Secretary of State Richard Austin will be the keynote speaker.

On Thursday morning, the group will tour the State Police Academy and the Michigan State University campus, including Abrams Planetarium. After lunch, the youngsters will return home.

ENERGY.
We can't afford to waste it.
