

what's at the movies

BETRAYAL (R). Jeremy Irons, Ben Kingsley and Patricia Hodge are caught up in emotional triangle in movie scripted by Harold Pinter.

BLUE THUNDER (R). Action-adventure with Roy Scheider as a police helicopter pilot engaging in a battle with the developers of an ultra-sophisticated helicopter.

BREATHLESS (R). Richard Gere and Valerie Kaprisky are passionate lovers running from the police after Gere kills a policeman in this remake of the Jean-Luc Godard classic 1959 film, "A Bout de Souffle."

CHAINED HEAT (R). Two thousand women, who are behind prison walls, haven't lost the courage to survive.

THE CHOSEN (PG). Dramatization of Chaim Potok's novel about father-son relationships, the interlocking lives of two teen-age friends, and the faith that divides and unites them.

DOCTOR DETROIT (R). Dan Aykroyd is a mild-mannered college professor by day and a flashy swinger by night after he inherits a group of prostitutes.

FLASHDANCE (R). A determined young woman works as a welder by day and a dancer by night. Movie doesn't make too much sense, but the dancing makes a terrific impact.

GANDHI (PG). Epic film about Mahatma Gandhi, political and spiritual leader who led movement for Indian independence from Britain. Magnificent performance by Ben Kingsley as Gandhi.

GATES OF HELL (Unrated). The dead shall rise when the moon turns red.

LOCAL HERO (PG). Clashes go flying in this wry film about a Texas oil company that wants to buy out a quaint Scottish fishing village. Directed by Bill Forsyth ("Gregory's Girl"). Burt Lancaster is featured in cast.

THE MAN FROM SNOWY MOUNTAIN (PG). Handsome adventure film from Australia presents mountain boy's passage into manhood. Kirk Douglas plays double role as two feuding brothers. Newcomer Tom Burlinson has little role.

MAUSOLEUM (R). An evil that has laid dormant for centuries has awakened and been released from its tomb. Stars Marjorie Gortner, Bobbie Breese and Norman Burton. Directed by Michael Dugan.

MONTY PYTHON'S THE MEANING OF LIFE (R). A new high (or low, depending upon one's outlook) in irreverence, grossness and absurd excess from the Monty Python gang as they look at seven stages of human life, from birth to death.

PORRYS (R). Crazy guys from Angel Beach engage in wild and raunchy antics.

RETURN OF THE JEDI (PG). Third chapter in the middle section of George Lucas' "Star Wars" trilogy. With Luke Skywalker, Hans Solo, Princess Leia and other characters from the previous films as the Rebel Alliance battles Darth Vader and the forces of the Empire.

STILL SMOKIN' (R). Cheech and Chong go to a film festival in Amsterdam and put on a live show (not what the sponsors expected) to help raise money for the financially troubled event.

TO BEGIN AGAIN (VOLVER A EMPERAR) (PG). Academy-Award winner for Best Foreign Language Film. Tender story of remembrance and love.

THRESHOLD (PG). Donald Sutherland is a heart surgeon who must perform a necessary but illegal operation on a young woman whose life hangs in the balance.

TOOTSIE (PG). Offbeat comedy with Dustin Hoffman as a struggling New York actor who can't get a job until he dresses as a woman to audition for a role in a soap opera.
