*Caracalla Lebanese Ballet*  
in the  
*Oriental Taming of the Shrew*

Caracalla, moreover, obviously, has a fine historic sense. The 26 dancers are beautifully trained. The women's movements are as volatile as flame and their arms and hands swirl with the delicacy of tropical fish... — Alan N. Kriegsmann, Washington Post

Caracalla wove exciting line dances for the men and an amusing ballet for café habitué's and their chairs into the flurry of fast-moving professionals...costumes were colourful and the dancers lively, good-looking and most engaging. — Jennifer Dunning, New York Times

But make no mistake, the Caracalla dancers are good, very good. — Eastern Daily Press
