

GRAND OPENING

Starting Thursday, Farmington Hills
will be looking good for less.

20% to 70% less. That's how much you'll save on designer and name brand fashions at Designer Depot, compared with department and specialty stores. And starting Thursday, you'll find these fashion values closer to home... in the Broadway Plaza, Middlebelt at 14 Mile. Designer Depot sells only first class fashions for men, women and kids — never any seconds or irregulars. And we spoil you with fringes such as no-charge layaway, a liberal refund policy, individual dressing rooms and well-organized stores that make shopping a pleasure. This Thursday we're opening an hour early to give you extra time to save on items like these:
