Caracalla Lebanese Ballet

in the

Oriental Taming of the Shrew

Caracalla, moreover, obviously, has a fine historic sense. The 26 dancers are beautifully trained. The women's movements are as volatile as flame and their arms and hands swirl with the delicacy of tropical fish...

- Alan M. Kriegsmann, Washington Post

Caracalla wove exciting line dances for the men and an amusing ballet for cafe habitue's and their chairs into the flurry of fast-moving professionals...costumes were colourful and the dancers lively, good-looking and most engaging.

- Jennifer Dunning, New York Times

But make no mistake, the Caracalla dancers are good, very good.
