We can help finance your college education

If you can't afford the high cost of a higher education, you're not alone. Tuition, books, room, board... the expenses seem to go on and on. But now we can help — with a STUDENT LOAN FASTLOAN! That's right, qualified undergrads can borrow up to \$2,500 and post-graduates up to \$5,000 for each academic year up to a maximum of \$25,000 during their span of education. And repayment of a low-interest STUDENT LOAN FASTLOAN is easy, with no payments due until several months after you're no longer attending school on at least a half-time basis. You don't have to have an account with us to apply, so give us a call or stop by any of our 37 offices today for more information, a detailed brochure and an application.
