

Tots take ride on classic fire truck

A retired fire truck on its way to Greenfield Village stopped by ArtStart in Mercy Center's complex for tots to ride, climb on, get sprayed and see how they looked in firemen's hats and boots. The 1946 model was purchased from an Ohio farm by Al Judge who teaches history in Farmington High School and is a member of "Society for the Preservation and Appreciation of Motor Fire Apparatus in America." Judge (at top right) was persuaded to show the restored truck to the 2-5 year olds by his daughter Julie Shuett (left), one of ArtStart's teachers, before the summer session closed. At right two-year old Joray Howe takes a turn in the driver's seat. At left Joanna Zamoyaki looks a bit intimidated by the size of the truck's wheel. The classic truck will be on display in Greenfield Village July 23-25.
