Skaters called to 'Roll for Research'

"Be a Good Skate", a roller skating benefit for the American Cancer Society, will run Sunday afternoon, Aug. 14, through the streets of downtown Birmingham.

Skaters of all ages are invited to participate in the Cancer Society's 1983 Roll for Research skating party.

Skaters can pick up registration forms and sponsor sheets at Radio Station WNIC, located at 19001 Michigan Ave., Dearborn, or at any Chatham supermarket throughout the metropolitan area.

Registered skaters with sponsors who have pledged to make money for

the miles skated are eligible for participation.

Skating across the 10-mile course will begin at 2 p.m. in the Joseph A. Bank Clothier parking lot following a noon-to-1:30 p.m. check-in period for late registrants.

Registration is \$5 by Friday, Aug. 12; after that time, rental skates will be available at \$2 through the courtesy of Cosmo's Motor City Skates for skaters who register by the Aug. 12 deadline. Skate rental will not be guaranteed to late registrants.

The Coca Cola Bottlers of Detroit will furnish a Coke for the skaters. Home Oxygen Medical Equipment

Co. of Detroit has contributed prize money.

T-shirts have been donated by Sisters Chicken and Biscuits in the metro-Detroit area.

Prizes will be awarded to the top fund-raisers who submit pledges and money collected to the American Cancer Society office, 29500 Southfield

Road (between 12 and 13 Mile) Southfield by Monday, Aug. 29.

Funds raised from the Roll for Research will be earmarked for cancer research.

Further details about participation in the Roll for Research skating party are available from the American Cancer Society, 557-5353.

Teachers sign up for summer school

At last count, more than 100 teachers, some administrators and some staff members who work for Farmington Public Schools, had signed up to attend computer classes here in mid-August.

"Our own teachers have volunteered to do the teaching," said Lou Wicher, a teacher at Warner Middle School who spent the bulk of her summer coordinating Summer Computer Camp for area youngsters.

"It's a free workshop for our teachers to update their computer skills and

registration shows a lot of them are taking advantage of it," she said.

"Some of our teachers will be starting with the basics, some will be learning word processing, others will be learning how to make lesson plans and, of course, others are very advanced," Wicher said.

"It's been nice for those of us who are planning this to know so many of our teachers are willing to give up their summer time to go back into the classroom," she said.
