## Nurses invited to sessions

Registered nurses interested in completing the bachelor of science in nursing degree may attend one of five information sessions explaining Mercy College of Detroit's nursing degree completion program being held at the college.

The sessions will be from 4-5 p.m. on Aug. 22, Sept. 19, Oct. 17, Nov. 14 and Dec. 5.

Mercy's nursing degree completion program offers the diploma and associate degree registered nurse the opportunity to earn the bachelor of science in nursing degree.

The program includes a credit-by-examination component for 35 to 50 credits in the nursing major. These instructor-prepared challenge exams enable participants to translate previous experience into nursing credits. Advanced standing may be earned through transfer credits and CLEP (College Level Examination Program) credit.

At least 30 credit hours must be earned through registration at Mercy College.

The program is accredited through the National League for Nursing.

All information sessions will be held in the Mercy College Conference Center. Group meetings at agencies will be arranged upon request. For further information, call Sr. Bernice at 592-6131.
