INTRODUCING

ELDERCARE

SERVING THE ELDERLY & THEIR FAMILIES

WHAT IS ELDERCARE?

Eldercare has been established to provide counseling and placement services to the individual and his family through home, office or facility visits.

WHAT DOES ELDERCARE DO?

- Provides individual, group and family counseling for the elderly and their families.
- Provides assistance for those requesting placement.
- Maintains a central registry of all facilities in the area.
- Provides information relating to:
 - Services, programs and special accommodations.
 - Requirements for admission.
 - Admission procedures.
- Offers slide and video presentations of area facilities to assist in client placement.
- Assists in finding live-in companions for the elderly in the home environment.
- Provides grief counseling and support groups.
- Presents workshops relating to concerns of the elderly.
