AUCTION PRICES EVERYDAY
PARK WEST GALLERIES... one of America's leading art auction galleries, located in new facilities on Northwestern Highway, has opened a retail gallery for the first time... but at auction prices typically far below normal retail.
COLLECT WITH CONFIDENCE... each work carries a money back guarantee of authenticity with the Galleries and a three-year exchange privilege. Since 1963 we have sold more than 100,000 original works of art from \$25 to more than \$50,000.
FREE GIFT: Bring this ad before 5 P.M. Sunday and receive a hard-bound copy of the book Goya the Masters Collection, beautifully illustrated with 48 full page color plates.
THE COLLECTION... Our gallery directors have assembled one of the largest selections of museum quality art covering the entire gamut of taste, variety and style. All custom framing done on premises.
VALUES: Many fine works are available between \$50 and \$500, with a large selection of rare and unique works priced in the thousands.
