

The abused child will grow up someday. Maybe.

Each year, over one million
American children suffer from
child abuse. Over 2,000 child of high
But what about those who
survive?
Statistics show that an abused
childlhood can affect a person's
entire life.
Many teenage drug addiest and
teenage prostitutes report being
abused children.
So do juvenile delinquents and
adult criminals.
Yet we now know that child
abuse can be prevented.

The National Committee for
Prevention of Child Abuse is a
prevented who was to prevent edit
that knows how to prevent child
abuse need your help to do it.
We need money. We need
volunteers.

But we need your help to do it.
We need money. We need
volunteers.

So do juvenile delinquents and
adult criminals.

Yet we now know that child
abuse Can be prevented.

Mational Committee for
Prevention of Child Abuse is a

someone olse to pick yours up for you, or do not order.
We will be open September 10 from 90.0 am., illi 60.0 p.m. Thank You.

For all children who participate or wish to participate in sport advance testing (15 tests) to determine the physical condition of the body, and to determine the necessary assistance for improving the results of physical activities will be conducted - FREE.

At this time, appropriate consultation will be given to each student to let them know what they must work on to improve their physical well believe.

MIKE FREIDIN, well known expert in gymnas-tics (coach of USSR National Team) coaching 4 National and 6 World Champlons in Acro-gym-nastics will conduct this program.

SPORT CENTER in association with DE-TROIT SKATING CLUB located at 888 DE-NISON court, Bloomfield Hills, MI 48013, Tel.: 332-7133. Call for an appointment.

Also the SPORT CENTER'S open registration for groups which are organized for basic and special gymnastics for all ages and various degrees of physical development, corresponding to all around strengthening of the system, gives the base for success in any kind of sport.

SAVE TIME AND MONEY

For students who don't have the opportunity - Innovation! The Center will offer a prepared set of individual gymnastic exercises which are based on previous testings. These exercises should be performed daily. Each student will receive a card listing all the exercises they individually need. There will be a check of list as each exercise is completed.

Once a month the students will visit the Center where they will undergo and review physical conditioning and will receive an additional information-correction for further exercises. The participants will be under constant supervision of
