

## Fashionable losers

Six models in the "New You" fashion show-luncheon enjoy the "loser" tag that got them the job of modeling fashions from "Designs on You" of Farmington Hills. They have lost a combined total of 256 pounds on the Cambridge diet. The fashion event will be held Tuesday, Sept. 13, at Glen-Oaks Country Club, beginning at 11:30 a.m. Sponsors are independent Cambridge Counselors from throughout the metropolitan Detroit area. Tickets priced at \$15 per person are now on sale and may be purchased from any of the following committee members: Rosemary Garrison, 599-7577; Lois Gibbons, 464-0528; Carol Hammond, 346-9254; Mary Lang, 637-2384; Carol Pastor, 476-8899. Models will include Denise Bundoff (front, with glass), Carol Pastor, (left, kneeling), Carol Hammond, Rosemary Garrison, Mary Lang and Lois Gibbons.

## No summer rest for ballet dancers

Summer may be a time to slow down and take things easy for some, but not at Evelyn Kreason School of Dance in West Bloomfield.

What with summer master ballet classes with Jon Rodriguez, plans for the non-profit Michigan Ballet Theatre auditions and productions, the poster/fund-raiser for Michigan Ballet Theatre and registration for fall classes starting next Monday, there's lots of action.

Rodriguez, a former Detroit, now based in Dayton, Ohio, gives master classes throughout the country. He has been actively working and choreographing for the regional ballet movement throughout North America. He has received choreography grants from the National Endowment for the Arts as well as the Ohio Arts Council and has been artist in residence with many regional companies.

Speaking particularly of ballet, he said, "It's all in the regions. Because of the regional companies all over the United States, kids get a chance to perform. In New York City you don't get to do anything but go to class. Consequently, representatives from every major company are running all around the U.S. offering scholarships."

Everly Kreason, longtime friend of Rodriguez, said enrollment in his master classes here was better than ever. "They know Jon and like him."

Rodriguez said it is exciting for him too, because as he returns to many areas year after year, there is a continuity for him to follow in the students he works with.

"ONE TIME you'll see someone and you think this person can't do anything — and then later, they blossom."

## AT STANDARD FEDERAL SAVINGS

# MONEY MARKET *plus* \*

### The big news is the big plus!

Transfer funds from savings to checking... another big plus!

Your Money Market Plus account in conjunction with a regular safekeeping checking account, offers you flexibility in money management.

**9.00%**

annual interest rate compounded and paid monthly on accounts with an average daily balance of at least \$2,500.00 and up to \$25,000.00 during a monthly statement period

**9.25%**

annual interest rate on the amount BETWEEN \$25,000.00 and \$50,000.00

**9.50%**

annual interest rate on the amount OVER \$50,000.00

Rates above are currently offered by Standard Federal on Money Market Plus Accounts and may change based on market conditions. For future interest rate information, call 643-9583.

### Here's how the bonus interest plan works for you:

Assuming that the above rates remain in effect for a complete statement period, if your average daily balance during your monthly statement period is \$35,750.00, you'll earn 9% per year on the first \$25,000.00 and 9.25% per year on the additional \$10,750.00.

If your average daily balance during your monthly statement period is \$65,625.00, you'll earn 9% per year on the first \$25,000.00, 9.25% per year on the next \$25,000.00 and 9.50% on the last \$15,625.00.

If the average daily balance (the sum of the daily balances divided by the number of days in the monthly statement period) goes below \$25,000.00 during a monthly statement period, interest will be paid at the rate of 5 1/4% per year for that month.

## MONEY MARKET checking

**8.00%** annual interest paid and compounded monthly

A checking account that pays money market interest rates... higher than you earn on your present checking account.
