Save Energy

with THE MOST
EFFICIENT GAS
FURNACE IN THE
WORLD 91% - 96%
EFFICIENCY

LENNOX
PULSE
FURNACE

80,000 BTU
NOW \$1295

The Lennox Pulse gas furnace is the most significant breakthrough in furnace design in over 20 years. It produces heat unlike any other furnace with greater efficiency than ever before possible. A condensing heat exchanger extracts 200 to 350 degrees more heat from your fuel than is currently possible with conventional gas furnaces.
