What if my new car is a knock-out on the way out of the showroom?

With Auto-Owners, it's covered. An Auto-Owners policy automatically covers your new car. And should you have an accident within 90 days and your car is a total loss, they'll pay the full cost of a new car. Not all companies offer coverage this complete. But at Auto-Owners they try to think of everything. Stop by and see us for full details.
