People in Business for You

DECmate II.
The new small business computer for just **\$199.50*** per mo.

You could pay thousands more, and still not get a more complete small business computer than Digital Equipment Corporation's new DECmate II. It can do your accounting, "spreadsheet" financial modeling and professional word processing. It teaches you how to use it itself. And it has Digital's helpful service organization behind it. DECmate is a deal at any price. But at this price, it just may be a steal. See it today.
