Start the punch the day before it is to be served by marinating crushed pineapple in rye or bourbon. Next day combine the spirited pineapple with lemon-flavored instant tea, lemonade concentrate and white wine. The whole concoction is then put in the refrigerator to chill until needed. Just before serving, the colorful garnishes and sparkling lemon-lime beverage are added.

"Nibblers" to serve with the punch can be the ever-popular P's — pretzels, popcorn and potato chips — plus a couple of hot specialties. For those you might try shrimp and chicken squares marinated in a zesty sesame seed sauce and broiled on skewers. Both are utterly delicious when dipped in a sour cream/horseradish/mustard sauce.

**NOEL TEA PUNCH**  
(Makes 10 cups or about 24 punch cup servings)  
1 (8 oz.) can crushed pineapple  
1 cup rye or bourbon whiskey  
3 rounded tbsp. lemon-flavored instant tea

1/4 cup sugar  
4 cups ice water  
1 (6 oz.) can lemonade concentrate  
2 cups white wine, chilled  
1 ripe pear, cut in allivers  
1 can cranberry  
1 cup strawberries, halved  
2 oranges, sliced and halved  
2 cups lemon-lime carbonated beverage

The day before, combine rye with crushed pineapple. Cover and marinate overnight in refrigerator.

Early in the day, combine instant tea, sugar and ice water; stir until tea and sugar are dissolved. Add undiluted lemonade and wine. Stir in marinated pineapple with liquid. Cover and chill until ready to serve.

Add pear slices and pour over ice cubes in large pitcher. Garnish with strawberry halves and orange slices. Add carbonated beverage.

**SESAME CHICKEN AND SHRIMP APPETIZERS**  
(Makes about 16 appetizer servings each of chicken and shrimp)  
**Sesame Marinade**  
2 tsp. sesame seeds, toasted  
2 tsp. salad oil  
3 tsp. soy sauce  
1 tsp. cider vinegar  
1 garlic clove, minced  
1/4 tsp. Tabasco sauce

Put the sesame seeds in a dry frying pan over medium heat. Stir constantly until browned. Remove from heat. Allow to cool before combining with other marinade ingredients. Cover and refrigerate overnight or longer to blend flavors. To prepare chicken and shrimp: 2 skinless, boneless whole chicken breasts  
1 (10 oz.) pkg. frozen cooked shrimp, thawed

Cut each chicken breast into 16 squares. Discard any fat and cartilage. Place in marinade 10 minutes, turning often. Thread 2 chicken squares on

each of 16 six-inch wooden skewers that have been presoaked on cold water. Place on broiler rack.  
After chicken squares are removed from the marinade, add thawed shrimp and marinate 10 minutes. Arrange 2 or 3 shrimp, depending on size, on other presoaked wooden skewers.  
In preheated broiler about 6 inches from heat, broil chicken until browned and done, about 12 minutes. Add shrimp skewers the last 5 minutes and broil just to heat through. Serve hot with Horseradish Mustard Sauce.

**HORSERADISH MUSTARD SAUCE**  
(Makes about 1 1/2 cups)  
1 cup sour cream  
3 tsp. well drained prepared horseradish  
1 tsp. French style mustard  
1/4 tsp. salt  
Dash Tabasco sauce  
2 tsp. chopped chives  
Combine all ingredients except 2 chives. Cover and refrigerate overnight to blend flavors. When ready to serve, garnish with chives.
