"5000 is cosmopolitan, contem-porary, if speaks a certain style."

"It's New York highrise living, only in a more modern, contemporary way."

"5000 offers a combination of everything you've been looking for in an apartment."

Just like its residents, 5000 At Town Center has a certain kind of style you don't see everyday. Uniformed doormen. Valet parking. A 24-hour conclerge that offers service 7 days a week.

Certainly not standard fare with apartment complexes.

And the floor plans—nine of them—are like nothing you've never seen before. None with that ubi-quitous "breadbox" look.

But 5000 At Town Center's brand of style doesn't stop with these impressions. A closer look will

uncover a full complement at amenilies. Heated pool, exercise room, saunas, lighted tennis courts, they're all yours, and yours alone.

For safety's' sake, you'll find a closed circuit TV security system and fully sprinklered fire protection.

And all units come with full carpelling, a fully equipped ultra-modern kilchen, and your own washer and dryer.
