A black and white photograph of various vintage toys arranged on a light-colored surface. On the left is a large wooden horse standing on wheels, with a drum attached to its side. In front of the horse are two nutcracker figures. To the right of the nutcrackers is a large teddy bear. On the far right is a doll seated in a small, ornate carriage. The toys are arranged in a row, facing right. The background is plain and light-colored.

rich in the traditions of yesterday and bright
in the promise of tomorrow.*
