GOOD COMPANY

If you have a little fairy in your home, or a big one for that matter, that's just the place where a subscription to The Youth's Companion will fit in. When the young folks bring new acquaintances to the house you are mighty careful to find out about them before admitting them to intimacy. In the same way you should make sure whether the mental friends that they make through reading are of a kind to inspire them or to destroy all the ideals you have been at so much pains to implant. Try The Youth's Companion for a year. See how quickly it becomes an indispensable member of the household, one of unfailing charm and constant inspiration.

The 52 issues of 1925 will be crowded with serial stories, short stories, editorials, poetry, facts and fun. Subscribe now and receive:

1. The Youth's Companion — 52 issues in 1925.

2. All the remaining issues of 1924.

3. The Companion Home Calendar for 1925. (Sent only on request). All for \$2.50.

4. Or include McCall's Magazine, the monthly authority on fashions. Both publications only \$3.00.
