"GOLLETTE" Bloomers for Children are Delightfully Different

Planned with the same painstaking care that mother exercises in behalf of her child—these patented "Gollette" bloomers have won a well deserved place in hundreds of Farmington homes.

These excellent children's bloomers are cut very liberally across the seat and thru the legs; they are longer in back, have a diamond gusset that adds inches to the stride and are reinforced with a pure white undyed material at wearing parts.

She writes: "I hated cooking because all I ate turned sour and formed gas. I drank hot water and olive oil by the gallon. Nothing helped until I used Adlerika." Helps any case gas on stomach in TEN minutes. Stanley P. Smith, Druggist.
