The decorative scheme was green and white. The received many lovely gifts appropriate for the occasion.

CLARENCEVILLE SCHOOL NOTES

Kindergarten—Edward Antaya is again in school.

Glady Horton is a new pupil in the kindergarten.

First Grade—Benner Wright is a new pupil in our room.

We have been making March posters, and the March winds have been featured on our sand table. We have been learning the poem entitled, "March."

Second Grade—The second grade is beginning a study of birds. The robin is claiming their attention just now, and some interesting booklets are being planned.

Edwin Aldrich is a new pupil in this room.

Ireland was featured on the sand table this month. We have correlated this work, with language exercises based on the story of the Irish twins, which we have just finished.

The summer class has been working in subtraction and have mastered the art of borrowing. Those receiving 100 in the daily work act as "checkers" to mark the work of the others.

A story party was enjoyed last Friday. The children dramatized several stories, choosing the characters, arranging the scenes etc., with assistance.

Third Grade—The Honor Roll in spelling is as follows: Ruth Wurtzbacher, Helen Nelson, Jack Jones, Jack Johnson, Dan Duquet, Harold Bensten, Lillian Stephenson, Ruess Johnson, Gilbert Urban, Ruth Ransier and Cyril Jean.

Aurelia Frantz won first place in the oral contest, Russell Lilley second.

Our room was decorated in green for St. Patrick's day and we made shamrock spelling booklets last week.

Mrs. Menke has loaned our room a portrait of George Washington.

We are reading "The Bobsey Twins' Camping Out" for opening exercises.

We are working on the multiplication tables at present, and our history stories are about Columbus and the early explorers. Lillian Stephenson has charge of the room this week.

Fifth Grade—Ulysses and Madeline Janis are new pupils in our grade.

We are proud of our new organ and are enjoying study of music. We have completed our history work for the year.

The "A" class have a new set of silent readers.

The chicken supper given by the Swastika Camp Fire Girls was a very successful affair, and the girls wish to thank all who donated food and also those who helped to make the program a success. The final count has not been made but it is believed that about \$40 was cleared.

The hot lunch season came to a close last Friday.

Sixth and Seventh Grades—

The seventh grade is learning historical poems. Donald Robertson is the new pupil in the seventh grade.

The sixth and seventh grades are enjoying their singing lessons with the help of a new organ.

High School—

The Student Council has decided to change the date of Ye Olde Folke Concert to April 15th. This delay will add to rather than detract from the affair as a number of new features will be introduced.

The high school boys have recently organized a male quartette and we may expect to hear from them soon.

The eighth graders are reviewing history by means of map studies on the development of the United States. Their English work is also proving to be very interesting with the aid of note books. The history classes in the ninth and tenth grades have developed some very interesting discussions during the past week.

The work of the ninth grade English class has been devoted to character study during the past few days. Secularism was the theme Friday. The class brought out the following traits manifested in themselves and schoolmates and were allowed to guess characteristics as applied to individuals. They succeeded in naming the individual to which the following characteristics applied—can you do as well?

1. Young woman. Math class takes unnecessary amount of time to leave seat and rearrange desk. Usually faces front of room and looks innocent when observed by the teacher.

2. Young man if displeased usually makes unnecessary amount of noise and frowns darkly.

3. Young woman whispering when the teacher's back is turned usually faces front of room and looks innocent when observed by the teacher.

4. Young woman if asked by the teacher to tell what she is doing, blushes deeply and replies "Oh nothing." Winifred just asked me something.

The ninth grade are in charge of the high school notes week and although many additional peculiarities were submitted they failed to pass the committee of censors.

Increasing the Value of Telephone Service

The Michigan Bell Telephone Company always is building—always expanding its service in order to efficiently serve the growing needs of Michigan.

Last year the Michigan Bell Telephone Company's expansion was one of the greatest in Michigan's telephone history—and that program is being continued.

108,984 miles of new telephone wires were installed during 1923; 98,501 miles to give additional local service; 10,483 miles of toll and long distance wires.

1,110,369 miles of wire now connect the telephones of this Company's subscribers.

96,805 new telephones were connected with the switchboards of this Company, for a net gain of 36,117, during 1923; 49,686 were added through the purchase of another company, both factors greatly increasing the value of the service to every telephone user in Michigan.

More than 437,000 telephones are served by this Company over its own switchboards; its connecting companies in Michigan serve 112,049 more; 14,000,000 others can be reached elsewhere in the country. \$10,320,380 represents the total increase of telephone plant made by this Company in Michigan last year.

And an organization of 10,279 loyal telephone workers now serves Michigan. It is their unanimous desire to give the people of our state the highest possible grade of telephone service.

MICHIGAN BELL TELEPHONE COMPANY
