If the caffeine in coffee irritates your nervous system and keeps you awake when you should be asleep,

recuperating your energies, why not stop coffee and drink Postum?

Postum is a pure cereal beverage, absolutely free from caffeine or any-

thing that can disturb health and comfort. Many prefer Postum for its delightful aroma and flavor. If you want to know the truth, change to Postum for a month or so, and see how much better you will sleep and feel.
