**Have You Appendicitis And Don't Know It?**

Much so-called stomach trouble is really chronic appendicitis. This can often be relieved by simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Brings out matter you never thought was in your system. Excellent for obstinate constipation. Stanley F. Smith, Druggist.

**Don't Neglect These Principles of Battery Care**

The very first thing, to do when you buy a new car is to bring it in to Battery Headquarters and let us make sure the battery is in good condition.

Then it's easy to keep it going along the right path of slow, normal wear.

It's not much trouble to look after it yourself if you have a hydrometer, but we'll gladly do it whether your battery is a Willard or not.
