

TRAVEL MONEY

The most convenient funds to use whenever you travel are travelers' checks.

We issue these in \$10, \$20, \$50, and \$100 denominations, bound in a little book containing just the right assortment.

Furthermore, travelers' checks are safer than money because they are valueless until countersigned.

Then they are accepted by banks, stores, hotels, railways, and steamship lines at face value.

FARMINGTON STATE SAVINGS BANK
