E. FARMER

We Deliver Any Time

Time to Save Money!

Some folks subscribe for a farm paper, a woman's magazine, a radio publication and a fiction magazine. But

The COUNTRY GENTLEMAN

for only \$1.00 a year—less than two cents a week—combines all four features that those folks are paying at least \$6.00 for. It's four magazines in one!

Big farm news of the United States and the world at large; national and state politics; new ideas on selling at profit; cooperative organization; money-saving crop methods! A woman's department that is the only woman's weekly; how the country can be made a better place to live in; a regular radio department; serial stories that will get you \$2.00 in book form, by such authors as Zane Grey and Joseph C. Lincoln. A corking good short story every week! May I send you a order now? I'd be glad to.

You Can't Get More For a Dollar!

Have You Appendicitis And Don't Know It?

Much so-called stomach trouble is really chronic appendicitis. This can often be relieved by simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Brings out matter you never thought was in your system. Excellent for obstinate constipation. Stanley F. Smith, Druggist.
