## Talk of the Wrong Place

"Some men," said Uncle Eben, "talk

like they was sure of 'goin' to heaven

when dey ain't actually safe fun-keep-

in 'out of jail."

## Friendship's Qualities

Friendship hath the skill and obser-

vation of the best physician, the dili-

gence and vigilance of the best nurse,

and the tenderness and patience of the

best mother.—Clarendon.

## Manners

Manners have been somewhat cyni-

cally defined to be a contrivance of

wise men to keep fools at a distance.

Fashion is shrewd to detect those who

do not belong to her train and sel-

dom wastes her attentions. Society

is very swift in its instincts and, if

you do not belong to it, resists and

sneers at you, or quietly drops you.—

Ralph Waldo Emerson.

## IN MEMORIAM

In loving memory of Arthur A.

Schroeder, who passed away one

year ago, January 17, 1924.

No one knows how much we miss

him.

Only those who've lost can tell.

Some may think we have forgot-

ten.

When at times they see us

smile.

Little do they know the silent

heartache.

Hidden all the while;

Sadly missed by His Father,

Mother, Sister and Brothers.
