I CAN RECOMMEND  
this flour to you because I  
know that the makers are  
very careful in the prepara-  
tion of it from the threshing  
of the wheat to the final bag-  
ging and distributing. I  
recommend it also because  
I know what good bread, pie,  
biscuit and cake it will  
make. My wife uses it. All  
the dealers who handle our  
flour will say this for Glide  
meister's Peerless Flour.

LET'S SEND YOU A SACK  
of our feed for trial. Note  
how fine and clean it is, not  
a particle of dirt or dust.  
And just watch the stock go  
into it at meal times. Ani-  
mals that enjoy their food  
are the healthiest and most  
profitable to keep or raise.  
Try our feed for a while and  
watch your stock grow bet-  
ter every day.

Half a mile from Esher church in

owned most of this land for nearly  
three hundred years, and it derives a  
big revenue from the race meetings.

## HEALTH AND HAPPINESS.

There are homes where washing, ironing, sweeping and other  
domestic tasks are still done at the cost of tired hands, of ach-  
ing backs, of weary muscles; where health is sapped and pleas-  
ant leisure forbidden by never-ending demands upon the time  
and strength of the housewife.

In these households it is apparently not yet realized that the  
hardest and most trying domestic work is performed quickly,  
pleasantly, and at trifling cost by electricity. Electric appli-  
ances for washing, ironing, and dish-washing; for house cleaning,  
cooking and a dozen other time and labor demanding tasks can  
be bought on convenient terms and used with great gain in  
health and happiness.

Come to our salesroom and let us show you.
