plain. You have discovered, peanagewho I am"

"I learned who your brother was."
"My brother!" she smiled. "Well."
she went on, "laten. I am the Grand Duchess Pauline of Russia, princess and shereditary ruler of the Caspian provinces, and searest in kin among living young to Nicholas, who was murdered by the people. The man whom you rescued its Paul, grand duke of Yolostok; hereditary ruler of seventeen provinces, and nearest in the

to voision, needed by the control of the male line to the crown of Russia. He is my cousin."

"Your cousin?" Gerald exclaimed.

"And my husband," she answered

"About an hour and a half beyon.
"And my husband," she answered calmly, and was extraordinarily cool. The situation began slowly to shape lited in his mind.

"It has been the province of royal, tight has been the province of royal, to their courtiers, without explanation, in whatever way may seem good to them. I have made use of you. I till not seek your acqualatance or your if richeship. I have made you no promi liess. I have kept you imuch further a waxy even from hope than would make the your and the province of you will probably that it has a state of the year of the province of the your acqualatance or your if richeship. I have made you no promi liess. I have been ill the made you no promi lies. I have been ill the made you no promi lies, and you say the youn her absolutely. It was not your devotion to free my cousin, to whom I was affianced. So far as my thanks can said fanned. So far as my thanks can saif fanned. So far as my thanks can saif you, I tender them."

"Tou are very graclous," Gend a strowledge, forgetting all his weartness and holding himself like a man, "May I ask, were you married to the grand duke when I tetched him from his prison."

"I was not," Pauline assured lim, "I was not," Pauline assured lim, "I was married a mouth after his re

Two men servants, both foreigness, and the closing of the door and remained by the control of the bare, cliquian half all to a room at the further end. He stood safet to let Gerald precede him.

"The geniteman will feetane or sent the control of the bare, closing in the control of the bare, closing in the control of the c

ing wine and whisigs, Paul served his guest himself,
"They tell me that this! is the most hospitable country of the world," he observed. "Even in Russia we should not let you depart without a tonst. You will wish us those things for which her highness and I live." Gerald bowed and ruised his place to his lips.

"I shall drink to you and to you country," he said, "and to the good of

country," he said, "and to the good of both."

He set down his glass empty. Pauline smiled her goodby, but they handed him over to the care of servants with the air of royalty. Gerald drove through the opened gates, heard the burs gride behind him, and, looking around for a last view, was dunly conscious of men who watched. Years afterward this strange vielt, with all its trilling events, assumed its proper proportions in his mind. That uitshi, however, he drove over the moors and around the mountains absolutely with-un any differed emptions. It was mountain subsolutely witharound the mountains associately wind out any direct emotions. It was un-possible to believe that his visit had not been the phantusy of an after-noon's slumber.

tion, Flatulency, Wind Colic and Diarrhea; allaying Feverishness arising therefrom, and, by regulating the Stomach and Bowds, aids the assimilation of Food; giving healthy and natural sleep.

To avoid imitations, always took for the signature of Chart Fletchers Absolutely Harmless-No Opiates. Physicians everywhere recommend it

Laxatives do not overcome constipation

AXATIVES and cathartics provide temporary relief only. Their continued use leads to permanent injury. In unued use leads to permanent injury. In time, says an eminent physician, analmost incalculable amount of harm is done by the use of pills, salts, mineral, waters, castor oil and the like.

Physicians advise lubrication for Internal Cleanliness

Medical science has found at last in lubrication a means of overcoming constipa-tion. The gentle lubricant, Nujol, penetrates and softens the hard food waste and thus hastens its passage through and out of the body. Thus, Nujol brings in-

Nujol is used in leading hospitals and is prescribed by physicians throughout the world. Nujol is not a medicine or laxative and cannot gripe. Like pure water,

Take Nujol regularly and adopt the habit of internal cleanliness. For sale by
