DOES YOUR MONEY COME BACK?

When you spend your money out of town, when you patronize stores in other cities, or buy from mail order houses, your money never comes back.

Money spent outside of this community will never be used for the betterment of your home town.

Money spent in this community stays here—it circulates here—it is used for you. The profits of the merchants of this community are spent here.

Are you sending your money away where it—or the good it may do—will never come back? Keep your money where it will work for you.
