Biennial Spring Election and Annual Township Election MONDAY, APRIL 6, A. D. 1925 To the Qualified Electors of the Township of Farmington (Precinct Nos. 1 and 2) county of Oakland, State of Michigan. Notice is hereby given that in conformity with Act 126, Public

Acts of 1917 as amended, I, the undersigned Township Clerk, will upon any day except Sunday and a legal holiday or the day of any regular or special election or official primary election, receive for registration the name of any legal voter in said Township; not already registered who may apply to me personally for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, as amended except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

March 28, 1925—Last Day for General Registration by personal application for said election.

Notice is further hereby given that I will be at Schroeder's Market the third and fourth Satur-

days before said election to review the Registration Book and Register Electors on March 14 and March 21, A. D. 1925. From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of reviewing the registration and registration such of the qualified electors in said Township as shall properly apply therefor. The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration by Affidavit (Mail or Messenger) Under Act 7, Pub. Acts, 919, as amended, the privilege of absent voters is extended to include registration. They can also register by Mail or Messenger whether absent or not but the affidavit must be received by the Clerk on or before the election.

Registration of Absentee by Oath If any person whose name is not registered shall offer and claim the right to vote at any election, and shall, under oath, state that he or she is a resident of such precinct and has resided in the township twenty days next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the Township on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she is unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall, in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provision in Case of Removal to Another Precinct. Any registered and qualified voter who has removed from One Election Precinct of a Township to another election precinct of the same Township shall have the right, on any day previous to election day, on application to the Township Clerk, to have his or her name transferred from the registration book of the precinct from which he or she has removed to the registration book of the precinct in which he or she then resides. Such elector shall have the right to have such transfer made on Election Day by obtaining from the board of inspectors

of election of the precinct from which he or she has removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in Which He or She Then Resides. Dated February 16, A. D. 1925. H. A. Schroeder, Twp. Clerk

USING COMMON SENSE

If the merchants in this community advertised in the newspapers of some distant big city that the residents of that place could save through trading in person or by mail, in our community you would say it was not good sense.

You would consider that these out-of-town shoppers would have to spend money and time in making the trip; or would buy "blind" if they ordered by mail.

That, these shoppers probably could buy cheaper from our merchants whose costs of doing business are smaller.

And yet it is no more foolish than for the people of this community to believe that they can buy cheaper by going to the expense of a trip, or buying by mail goods which they have never seen.
