

SPRING

Just naturally calls for an awakening and revival all along the line of human activities.

As you respond to Spring's irresistible urge to action, remember that there is no better time to put aside something for the future than in the Springtime—both of years and of lives.

BUILDING?

The most complete built exhibit in the State of Michigan is located at the Judson Lumber Company at Stark, at 4 miles east of Plymouth. It includes built-up specimens of every kind of lumber, finish, flooring, brick, hardware, shingles, mouldings, etc.; all paneled, painted, varnished, etc. You can compare the different grades, stains, colors, patterns, and know definitely what you would like best both inside and outside your home.

We have the most complete and varied stock of any lumber yard around Detroit giving you an assurance of getting the pattern you want.

As extra points of service we have nails and hardware, also a complete list of plans and blueprints, and detailed material list.

Lumber on credit.
