What Will They Do For You?

If you buy a new suit, or some hardware, or groceries from an out-of-town dealer or the mail-order man, do you think those merchants will help pave the streets of this community; or contribute money towards making your town a better place in which to live?

You know that they will not.

And you know that the money you give them can never be used for the benefit of yourself and your home.

But you do know that money spent in this community remains in the community and is used for our own good.

The merchants of the community are here as a vital art and factor in the development of this place.

WHEN YOU BUY YOUR NEEDS HERE, YOUR MONEY STAYS HERE.
