HOW TO BOOST

The merchants of this community are here to stay. They chose to locate here because they believe in this community.

They are not interested in a quick "clean-up," in running up sales records; but to grow steadily with the growth of the town.

Nothing can contribute to the growth of any place like a strong mercantile backing.

Nothing is asked of the merchants of our community that they are not glad to give freely.

You can help them to help the town—you can help yourself by trading at home.

And the best of it is, when you keep your money at home
