Coventry Gardens

A New Idea In Suburban Development!

Heretofore only those who could afford \$25,000 to \$50,000 homes have been able to enjoy the satisfaction of living in a residence section laid out in generous size building lots, rendered attractive by winding drives, full-grown shade trees and a beautiful vista of rolling hills.

Now, in Coventry Gardens, all these advantages are offered to prospective builders of moderately priced homes.

50—FOOT LOTS—\$750

Lots in Coventry Gardens are of ample size (50 feet to 125 feet in width and 135 feet to 200 feet in depth) to accommodate homes of the wide, rangy type, placed well back from the street, and still leave plenty of space for lawns and gardens.

At prices as low as \$750 for lots 50 feet wide and 135 feet deep, with a down payment of less than 10% in case the purchaser plans on building in the near future, Coventry Garden lots are a "buy" that you will find it difficult to equal in any other home community.

CITY IMPROVEMENTS!

Water, Sewers, Sidewalks
Electricity, Improved Streets

Do not overlook the fact that prices of Coventry Garden lots include city improvements—sewers—water, sidewalks, electricity and improved streets! And take into consideration also the strategic location of the property—on two paved highways, Five Mile and Farmington Roads, with a third projected Fordson highway leading direct to the River Rouge Ford plant.

Compare Coventry Gardens in point of location, improvements and general desirability with any other suburban development and you will realize that here at last is the ideal location for the home of your dreams.
